

2023 FRIEND-RAISING CAMPAIGN

January 18, 2023

Homesafe, Inc., Ashtabula County's Domestic Violence Shelter will be hosting its annual fundraiser featuring an evening with the Game Show Guyz"! This is an interactive game show, raffle and dinner fundraiser, slated for **Saturday, October 7, 2023**. Hosting this exciting event will *support the continuation of services to women, children, and men experiencing violence and abuse within Ashtabula County; and to expand our agency to increase the number of individuals we are able to serve. We provide free emergency and non-emergency services to residential clients, non-residential clients and the community. Individuals do not need to seek shelter with Homesafe to receive our services.*

In order to produce an exceptional event, we are asking for help from the community through sponsorship opportunities and/or donations. Donations can take many forms, such as gift cards, merchandise or services, and may be large or small. All donations received will provide exciting gifts for our Silent Auction Baskets. If you would like to donate for our Silent Auction, please contact our office at (440) 992-2727 to arrange a pick-up time.

Your generous donation is greatly appreciated and will be publicly announced and displayed at our event. In addition, all donors/sponsors will be prominently featured in our displays and correspondence throughout our shelter campaign. Our EIN number for your reference is: 34-1304495.

Prizes and sponsorships are needed by September 1, 2023. Thank you for your time and consideration.

Sincerely,

Julie Sundquist
Executive Director
